If you know someone who is in trouble around you, please let us know

Health

I got seriously ill
I am concerned about
treatment and hospital
and future life

Work

My company went out
of business
I cannot pay my
mortgage

Family

I quit my job to take care
of my parent but not sure
if I can maintain my life

Life

I ran out of my money
and food and do not have
anyone to ask for help

I live
with my son
who has been socially
withdrawn I am
concerned
about our
Future

Flow of use

Consultation

In person • Telephone • FAX • Email • **Visit** if necessary. Please apply after hearing our explanation. We will keep confidentiality strictly based on the Personal Information Protection Law.

In case of high urgency, proceed directly to support.

Sort out issues

Why are you in troubled and worried about the problem you have. We will sort out the issues together and decide what needs to be done to come up with the desired solutions. We will make sure you get what you want.

Create a support plan based on the needs of the applicant

Support

Life improvement • Economic stability • Employment • Academic ability improvement, etc., the specialized staff will provide appropriate support. If the problems were wide-ranging, in that case, we will provide support combining multiple approaches. For those who have difficulty going out, **visit support(out reach)** will be provided.

Employment problems

Preparation support for getting a job
Providing a place for working experience
Support for job hunting, etc.

Life problems

Securing housing
Improving living conditions
Accompanying to a hospital, etc.

Household problems◆

Money management support
Debt consolidation consultation◆
Loan mediation, etc.

(Chiba City Council of Social Welfare • Seikatsu Club
Co-op Living and Household Counseling Room)

Children's problems

Learning support for children
Advice for parents
Introduction of various systems, etc.

We cooperate with various organizations.

Use of systems and services in collaboration with various specialized institutions. If you need, we will support your application and procedure.

Consider community-based support.

Prioritizing support that makes use of the network in your area and we prevent isolation within the area.

Check the progress status and review / reconsider the plan if necessary

Resolution of problem

**Improve health, economy, work and other problems
We will work with you until your life becomes stable.**
