Target age: 0-5 years old

Certified Children's Garden 0-5 years old

There are four types of certified child institution in Chiba city.

Kindergarten cooperation type

- As a single facility that is a school and child welfare facility Authorized child institution

Kindergarten type

- Kindergarten is a certified child institution with a nursery function

Nursery school type

- A certified child institution with a kindergarten function

Local discretion type

- A facility with a childcare function has a kindergarten function
Certified Children's Garden

* 1 Please contact the garden directly for details such as application for No. 1 certification, educational content, actual expenses, etc. However, it is a municipal certified child institution.
Regarding the application for "Chishirodaihigashi Certified Children's Garden" and "Sachi Certified Children's Garden", we will inform you about the application for each ward child and family section where each garden is located.

Business to take care of children aged 0 to 2

(We do not provide childcare after maternity leave)

Childcare certification (No. 3)

Community-based childcare business 0-2 years old

There are three community-based childcare businesses in Chiba City.

Small-scale childcare business

- Business that provides childcare in a small scale for children 0 to 2 years old Capacity 6 to 19

Home-based childcare business

Business that provides childcare for a small number of children ages 0-2 in a homely atmosphere at the home of a garden nurse, etc.

On-site childcare business

- Childcare business for the children of business employees aged 0 to 2 (* 2) and local children (regional frame) together,

* 2 The capacity for keeping employees' children is set separately by each business site.
Please contact the office directly for details.

List of nursery schools and certified children's schools (childcare certification)

- Please be sure to read this when choosing a nursery school / certified childcare center (childcare certification).
- Please check directly with the details of the use of the certified child institution during the daytime education hours (education certification).
- The contents are as of the date of creation. Please note that it is subject to change afterwards.
- Please be sure to check each garden in advance for the details of each item.
- Please make a preliminary tour and check the situation around the park and the time it takes to pick up and drop off.

1 Childcare content for each garden (business)

As a kindergarten that provides education and childcare, "nursery school", "certified childcare center", "community-type childcare business (small-scale childcare business, home-based childcare"

Business, on-site childcare business) ", and although the installers of each garden are different, the basic childcare content is the same.

However, it is not exactly the same because we have made various efforts. After comparing the features by visiting in advance

Please consider it widely.

2 Usage time

The available time varies depending on each garden. In addition, the usage time varies depending on the certification category according to the required amount of childcare.

(Standard time certification: up to 11 hours / short time certification: up to 8 hours). Details of certification For details, see "Nursery center / certification.

Please see "Information on the use of children's gardens (childcare certification)".

3 School lunch

1. How to provide

"Own garden cooking"... We provide school lunches cooked in the garden

"External delivery"... We will bring in and provide meals cooked outside.

"Carrying in from a collaborative facility" ... We will bring in and provide meals cooked in other cooperating gardens.

2. Handling of food allergies in school lunch

At each garden, we will take measures such as preparing foods to remove as much as possible, but it is difficult to deal with all of them, so children

The range that can be handled in each garden varies depending on the symptoms. If there are dietary restrictions, regardless of the degree, each garden in advance

Please consider after consulting.

4 Garden

In a garden without a garden, a nearby park will be used instead. Even if there is no garden that meets the city's approval standards, some gardens may be gardens.

There may be enough space for children to bathe. Wide range such as advance tours and direct inquiries to each garden

Please consider it carefully.

5 Parking lot for pick-up and drop-off

Please contact each garden directly for the rules when using it. (Limitation of parking time, parking lot of other facilities available or not, etc.)

In addition, use car in compliance with the traffic rules and etiquette stipulated by law so as not to be bothersome to neighbors, passing vehicles, pedestrians, etc.

6 Actual expenses * Please contact the garden directly for the first certified child institution.

When using a nursery school or an authorized child institution, you may incur costs other than childcare fees and extended childcare fees.

(For details on childcare fees and extended childcare fees, please see "Information on the use of nursery schools and certified childcare centers (childcare certification)".)

The outline of each garden is as shown in the list, but depending on the other gardens, expenses may be collected within the range of actual expenses. Details Please be sure to check each garden in advance for details.

| Main food | Uniform Smock Gym suit | Special Cost | Others |
